Identity Alert: I was a young Harvard economics professor in an office adjacent to John Kenneth Galbraith. This book is Galbraith's cynical shot at the academy in general, and Harvard in particular, and perhaps at himself in particular. [A Tenured Professor: John Kenneth Galbraith \(author\) ...](#)

It's a pity Professor Galbraith did not live, in his 98 years, to read Harry Markopolos on the topic of this stately parade of dunces, but I recommend any readers of this notice to do just that. Where ordinary satire shades off into outright travesty I'm not sure.
