Mission Impossible from the October 6, 1994 issue To the Editors: Theodore Draper cites material from my book America's Mission [NYR, October 6] to try to discredit my argument that promoting democracy around the world has contributed to American national security. Indeed, on occasion the effort has been hypocritical or a failure. Smith, T.: America's Mission: The United States and the ...

America's Mission argues that the global strength and prestige of democracy today are due in large part to America's impact on international affairs. Tony Smith documents the extraordinary history of how American foreign policy has been used to try to promote democracy worldwide, an effort that enjoyed its greatest triumphs in the occupations of Japan and Germany but suffered huge setbacks in Latin America, Vietnam, and elsewhere. This work, formidable in scope and scholarship, is a rousing defense of liberal Wilsonian internationalism.

Smith, a professor at Tufts, gives Woodrow Wilson's utterances a canonical character, against which he measures the words and deeds of nearly all subsequent presidents.
