The American empire, which more mainstream scholars
prefer to describe in softer terms as global hegemony or
the liberal international order, has always rested on three
pillars: economic strength.

American Empire Project - Official Site

The American Empire Project is a response to the changes
that have occurred in America's strategic thinking as well
as in its military and economic posture.

Is America an Empire? - War on the Rocks

An historian and a policymaker walk into a bar. On one
screen, a journalist is reporting a coup on a South Pacific
island. The historian looks at the policymaker and says,
Just another example of American imperialism. On another
screen, a news anchor discusses the ongoing negotiations
between

American Imperialism - Wikipedia

American imperialism is the term, often pejorative, for a
policy aimed at extending the political, economic, and
cultural control of the United States government over areas
beyond its boundaries.
