definitions of key terms, and USMLE-style review questions. With this system, you'll learn in the context of real patients, rather than merely memorize facts.

Case Files: Family Medicine by Eugene C. Toy

I used this for my family medicine rotation, third year medical school. My problems with it are probably related to my learning style. I like that it has questions, but the questions come after each case so I got a false sense of security from getting them all right because the material was fresh.
