[Cultural Approaches to Parenting - PubMed Central \(PMC\)](#)

[Marc H. Bornstein Author information](#) The cultural approach to parenting has as one main goal to evaluate and compare culture-common and culture-specific modes of parenting. Evolutionary thinking appeals to the species-common genome, and the biological heritage of some psychological processes presupposes their universality (Norenzayan & Heine, 2005) as do shared historical and economic

Parenting and child mental health: a cross cultural ...

There is, therefore, definite need and significance for cultural approaches to parenting and child mental health. Descriptively they are invaluable for revealing the full range of human parenting and child mental health. Study across cultures also furnishes a check against ethnocentrism. Acceptance of findings from any one culture as normative is too narrow in scope, and ready
