But more and more this play-world parallels the outer world, and steadily Derek becomes aware of fear: fear of fighting, fear of defeat. In this excellent book Cooper has managed, on the one hand, to write a story simple enough for children to understand, yet on the other hand, accurately portray the complex psychological issues of war.

I thought *Dawn of Fear* was a wonderful story, partly autobiographical, in which Cooper follows the story of three friends who live under the constant threat of Nazi invasion. The story is set within the streets, homes and wilderness around the town within which they live and follows the boys' exploits as they go about creating their own shelter to protect themselves from the bombing.

Susan Cooper's *Dawn of Fear*: Cross-writing, the Uncanny, and a Childhood in Wartime

Dawn of Fear - Historical Novel Society

Dawn of Fear. Written by Susan Cooper Review by Patrika Salmon. Susan Cooper always writes well, and this is one of her deceptively simple books. On the face of it, the story is an uncomplicated children's story, but it is, as the title suggests, about learning what fear really is. For Derek and his friends think the war is, as Derek's father said of their attitude: Just a great game. They continue to build their den, go to school, fight off the neighbouring street's children who
