Education in Egypt - Wikipedia

In recent years the Government of Egypt has given greater priority to improving the education system. According to the Human Development Index, Egypt is ranked 111 in the HDI, and 9 in the lowest 10 HDI countries in the Middle

East and Northern Africa, in 2014. With the help of the World Bank and other multilateral organizations Egypt aims to increase access in early childhood to care and education and the inclusion of Information and Communication Technology at all levels of education, especial
