European Security in NATO s Shadow

European Security in NATO s Shadow NATO has been a successful forum for managing European security policy. Yet European governments have repeatedly tried to build a new security institution in NATO s shadow. In this innovative book, Stephanie C. Hofmann asks why governments attempted to create an additional institution despite no obvious functional necessity, and why some attempts failed

European Security in NATO's Shadow: Party Ideologies and ...

Reading European Security in NATO's Shadow will be an eye opener for security professionals unfamiliar with European international relations. This book adequately highlights critical information in a well-written, clear, and concise manner. Without hesitation, Hofmann analyzes the way ideology dictates intergovernmental bargaining on matters of international security.
