Fen (McCabe Sisters, #2) by Freya North - Goodreads  
North is a good writer and her characters come across as real people. I loved the three sisters, their uncle and their way of connecting and being. There's real affection in the writing for the characters and that comes across well. I loved Fen's inability to choose between her two lovers, the way she was dedicated to her calling and the final result with the stature.

Freya North - Wikipedia

Freya North (born 21 November 1967) is a British writer, active since 1996, and one of the precursors of chick lit. Her novels, which have been critical and financial successes, centre on strong female characters and their raunchy exploits.
