Crystal Sutherlandmdashherself a survivor of CSAmdashknows that while the recovery process is complex, healing is possible with God's help. For women who want to progress from simply coping to living abundantly, Journey to Heal guides readers through seven essential steps to recovery found in Scripture.

Recovery & Resilience - Mental Health Foundation insight on distress and recovery. Introduction Good mental health means having a positive sense of identity and sense of control over who you are. Mental distress can occur when a person feels overwhelmed by their emotions, life situations and pressures from the society we live in. Recovery is a process which involves making sense of one's distress experiences and finding ways to cope with
