Guano and the Opening of the Pacific World by Gregory T ...

Guano and the Opening of the Pacific World is a tour de force that deserves a wide audience. Cushman covers an expansive range of topics that offers persuasive arguments that challenge many aspects of received wisdom regarding natural versus cultural, indigenous versus colonial, island versus mainland, and local versus global.

Guano and the Opening of the Pacific World: A Global ...

More than the tale of guano and its modest beginnings from the backside of Pacific seabirds, Gregory Cushman's environmental history novel strategically aligns events across local, national, regional, and transnational contexts through the lens of guano exploits.

Gregory T. Cushman, *Guano and the Opening of the Pacific* ...

Gregory T. Cushman's *Guano and the Opening of the Pacific World* moves skillfully from the largest scale of global history to smaller spatial scales, including the transnational, oceanic, regional, and local.

Guano and the Opening of the Pacific World: A Global

...

Gregory Cushman's preface opens with some bold claims. He suggests that the Black Death, the African Slave Trade, the Second World War and the harvesting of bird excrement deposits from islands in the Pacific oceans were of equal importance in world history.

Guano and the Opening of the Pacific World: A Global

...

Cushman's training as a Latin American historian does not obscure his perspective over the rest of the world and in his treatment of Peru (the erstwhile world leader in guano production) does not ignore the efforts, and the significance of the efforts, of the many other countries that tried to ride the guano trail.
