Learning Privilege: Lessons of Power and Identity in ...

Grounded in an extensive ethnographic account, Learning Privilege examines the concept of privilege itself and the cultural and social processes in schooling that reinforce and regenerate privilege. Howard explores what educators, students and families at elite schools value most in education and how these values guide ways of knowing and doing that both create high standards for their

Unlearning the Lessons of Privilege - Educational Leadership

Unlearning the Lessons of Privilege, Adam Howard.

There's an underside to the drive to be the best and brightest. How can teachers counteract it? With less than a minute and a half remaining in the state basketball championship, Chesterfield was down 22 points. Our school's basketball team had made it to the semifinals regularly, but it had been years since we'd made it this far. It was clear
