In *Marching Toward Hell*, Scheuer offers a scathing and frightening look at how the Iraq war has contributed to the enemy's strength and fundamentally changed the geopolitical landscape in a way that is harmful to U.S. interests and security concerns. Scheuer will examine the ways in which the war has widened the conflict by almost every measure, making America less secure and increasingly

Marching Toward Hell: America and Islam After Iraq

---

Marching Toward Hell is not just another attack on the Bush administration. Rather, it sounds a critical alarm that must be heard in order to preserve the nation's security. Scheuer outlines the ways that America's foreign policy since the end of the Cold War has undermined the very goals for which we are fighting and played right into bin Laden's hands. The ongoing instability in Iraq, for
