Get this from a library! Multilateral development cooperation in a changing global order. [Hany Besada; Shannon Kindornay;] -- "Given the current environment, there is a compelling need to undergo a broad-ranging analysis on the future of multilateral development cooperation. The time has come to critically examine the **Review of Multilateral Development Cooperation in a ...**

Multilateral Development Cooperation in a Changing Global Order tackles a number of important issues about the future of development aid, issues that must be addressed and quickly. The editors rightly conclude that the international aid system is in a current state of flux, and are right to be guarded in their predictions about the future, in part because effective cooperation has, by
