Beverly Long: It's all about location, location, location ...
Beverly Long, whose new release, Secure Location, is out now, makes the point here that location in a book matters.

I remember very clearly how much I wanted to go to San Bernardino, Calif., after

Amazon.com: Customer reviews: Secure Location

Long does a good job of setting the scene and inviting you to like the protagonist and his or her potentially significant other. This story is a little different than most and I enjoyed it. This story is a little different than most and I enjoyed it.
