Sonata for Miriam: A Novel was not a dissapointment. However, I would have liked to have had Adam's discovery of his connection to Judaism taken him farther in that journey. I will anxiously await more from Linda Olsson!

Now, in her latest novel, Sonata for Miriam, Olsson confirms her reputation as a nuanced writer with a style that is both poetic and precise. With her unerring sense of detail, Olsson spins an elaborate web of love and sacrifice, grief and deceit, all set in motion by a single chance encounter.

Sonata for Miriam - Audiobook | Listen Instantly!

" "Sonata for Miriam" is about secrets, pain, loss, and reconnecting. I did not enjoy "Sonata for Miriam" as much as I did "Astrid and Veronika." I think this was because of distractions in my own life and not the story, though. Linda Olsson is a wonderful writer. Her ability to have you see the story is amazing. "
