Surviving Galeras: Stanley Williams, Fen Montaigne ... Stanley Williams has a really interesting story to tell--and with the help of coauthor Fen Montaigne he tells it very well--but it's the story of volcanoes themselves, much more than it is the story of how he nearly got himself killed on the side of one.

Surviving Galeras: Stanley Williams, Fen Montaigne ... On January 14, 1993, Stanley Williams led a party of fellow geologists up Galeras, a Colombian volcano that, though historically active, had been lying quiet long enough that they suspected it was due for an episode--and thus an opportunity for the volcanologists to practice their predicting skills.
