[The Affluent Society - Wikipedia](#)

The Affluent Society is a 1958 (4th edition revised 1984)
book by Harvard economist John Kenneth Galbraith. The
book sought to clearly outline the manner in which the
post World War II United States was becoming wealthy in
the private sector but remained poor in the public sector ,
lacking social and physical infrastructure, and perpetuating
income disparities .

The Affluent Society is probably not read anymore, and
for good reason, because it doesn't have a great deal to say
today. It is an "intervention," as the leftists like to say, and
it doesn't translate very well to very different
circumstances.
