The Alexiad: Anna Komnene, Peter Frankopan, E. R. A ...  
As usual, I am not reviewing Anna Komnene as an historian. I am reviewing this particular edition of her work. This is a relatively recent edition of the 'Alexiad'. While the core of E.R.A. Sewter's 1969 translation remains in place, many changes have been made and they are all good. The first, and most visually obvious, is the jacket.

A revised edition of a medieval masterpiece the first narrative history written by a woman Written between 1143 and 1153 by the daughter of Byzantine Emperor Alexios I Komnenos  
The Alexiad - Anna Komnene - Google Books  
Anna Komnene (1083 - 1153) wrote The Alexiadas an account of the reign of her father, the Byzantine Emperor Alexios I. It is also an important source of information on the Byzantine war with the Normans, and on the First Crusade in which Alexios participated, offering a startlingly different perspective to that of Western historians.  
The Alexiad - Anna Komnene - Google Books  
The daughter of the Byzantine Emperor Alexios I, Anna Komnene (1083-1153) wrote this work as an account of her father's reign. Although biased in favour of Alexios, the book yields important insights into his rule and provides a picture of the first crusade from a different perspective.
