Psychotherapists Ronald T. Potter-Efron (Angry All the
Time) and Patricia S. Potter-Efron define an emotional
affair as "an intense, primarily emotional, nonsexual
relationship that diminishes at least one person's emotional
connection with his or her committed partner." They
provide an excellent list of questions to help determine if
your partner is involved in such an affair and discuss why
these affairs take place, whose fault it is, and how to
confront the partner having the affair. They

This book helps the reader explore whether or not the
partner is having an emotional affair and then offers steps
to discovering the roots of the problem, making changes in
the relationship, discussing the issue with the cheating
partner, and recovering from the breach of trust and
intimacy caused by the affair.
