[The Future of US Global Power: Delusions of Decline ...](#)

Stuart S. Brown purveys a message that is not fashionable in some academic and media circles: that the United States is not in decline, a victim of its own fiscal and strategic excesses. On the contrary, "U.S. hegemony is here to stay." Brown's book, *The Future of U.S. Global Power: Delusions of Decline*, makes the case that America's economic underpinnings, demographics and entrepreneurialism
