Socrates by Anthony Gottlieb - Goodreads

Philosophy is one of the most intimidating and difficult of disciplines, as any of its students can attest. This book is an important entry in a distinctive new series from Routledge: The Great Philosophers.

Socrates (Great Philosophers): Anthony Gottlieb ...
Anthony Gottlieb makes the most of this space and you end up with a pretty good idea of how Socrates viewed life and intellectual inquiry, as well as the distinctions between his philosophy and that of Plato and other followers and critics. Since he is the first significant philosopher, he's worth understanding, and this book will not consume much of your time.
