The Human Tradition in the Old South by James C. Klotter ...

The importance of the South in the development of the United States has always been clear, but in recent decades the rise of the sunbelt-politically, economically, and culturally-has made the significance of the region's history all the more apparent.

The Human Tradition in the Old South (The Human Tradition ...

-- John B. Boles, Rice University The Human Tradition in the Old South offers thoughtful new observations on some prominent figures and revealing first perspectives on others less familiar. It reminds us forcefully that while, as the sum of its human parts, 'the South' may exist as fact, the generic 'Southerner' is and always has been a fiction. -- James C. Cobb, University of Georgia The Old
