[The Juice: Vinous Veritas by Jay McInerney](#)

The Juice won't teach you much about the history of wine, or the genesis of modern wine styles, or the background of major players in the wine industry. The chapters are too short (usually about four pages) to dive deep. You won't learn much about the many types of wine covered in the book, although you'll learn enough to wish that McInerney had taken the time to tell an actual story about
