TOP 11 QUOTES BY SHEILA KITZINGER | A-Z Quotes

In most societies birth has been an experience in which women draw together to help each other and

reinforce bonds in the community. Now that eradication of pain with effective anesthesia is often the only issue in any discussion of birth the sacramental and social elements which used to be central to women's experience of birth seem, for an

The New Experience Of Childbirth by Sheila Kitzinger

Sheila Kitzinger M.B.E, M.Litt is a social anthropologist of birth and author of 24 books published internationally, most on the emotional journey through this major life experience. At Oxford in the 50s she discovered that the social anthropology of that time was almost entirely about men. She decided she would do research to discover what was important in women's lives, and focused on pregnancy,
