[My students need 1-3 copies of 17 different books, including works by Stephenie Meyer and Matt Christopher. In my classroom, students need books that are written at a lower grade level yet are still of high interest. The books currently available to them are either too challenging to read or the topic is too elementary.](#)

### **The Plot: A Biography Of An English Acre by Madeleine Bunting**

John Bunting was a well known sculptor and artist, and this book is his daughter trying to find out about her father by using the lens of "The Plot" a small parcel of land in the Yorkshire Dales, and considering aspects of his life in this context.

### **The Plot: A Biography of My Father's English Acre: Amazon ...**

The Plot describes the personal struggle of a young aspiring artist and his relationship to a small plot of land in North Yorkshire. With the viewpoint of documenting her father's life, Madeline Bunting guides you through a land rich in history; from battles with Scottish raiding parties to the economic importance of sheep.
