"The Time Fetch is a remarkable testament to the power of true friendship and a thrilling fantasy adventure about the unseen world all around us."

The Time Fetch by Amy Herrick - Goodreads

The Time Fetch is the story of four Brooklyn teenagers who come together to confront the time-eating effects of a rogue magical rock. The author, Ms. Herrick, smartly brings together the worlds of physics, metaphysics, and fairyland fantasy to create a story that is both contemporary and believable.

The Time Fetch: Amy Herrick: 9781616204532: Books - Amazon.ca

The Time Fetch is a gripping introduction to the genre for young folk, and a great continuation of it for adults. I didn't feel like I was reading a book that was written for children, but rather a fully crafted piece of literature that happened to be about the adventures of middle-school aged characters.
