Tulip Fever was a vivid and engrossing read that had me turning pages into the wee hours of the morning. And while some feel this novel is only a Harlequin Romance in disguise, I truly believe it is much, much more than that. The 1630s Amsterdam background lends rich definition to the characters and story line and makes Tulip Fever a highly readable, thrilling book. Wealthy merchant, Cornelis

Tulip Fever is an interesting examination of the little known time when vast fortunes were both made and lost in the tulip flower bulb industry. Rather like post-bellum "paper railroads" in America, speculation on tulip futures was intense, frenzied, full of graft and greed, and, ultimately, largely built of nothing but grandiose dreams and worthless paper. Moggach captures a bit of this
