**Voyage of Innocence (Audiobook) by Elizabeth Edmondson ...**

I thoroughly enjoyed reading a Villa in Italy, however in The Voyage of Innocence, the author left no room for the reader to fill in the blanks. When I am reading, I like an author to give me a brief description of a scene and let me use my imagination to fill in the blanks. Would you try another book written by Elizabeth Edmondson or **Voyage of Innocence by Elizabeth Edmondson** Irene Palfy bachlorene, devoted to the two best cats she knows, addicted to films, books, heels, vintage clothing and all saucy and naughty gossip about classic Hollywood.. on her way to become a real marvellous callady!
