Reawakened (Reawakened Series #1) by Colleen Houck

...

Reawakened is one of my favorite books of all time. Colleen Houck does an amazing job of developing characters and creating a captivating story. I started and finished the book the day I got it and reread it from time to time. Just like her other books it doesn't disappoint nor does it ever get tiring. I highly recommend this book especially if you enjoy adventure mixed with a refreshing love.
